

## Central Line-associated Bloodstream Infection (CLABSI) Masterclass

VICNISS is hosting a masterclass to support staff involved in Central Line-associated Bloodstream Infection (**CLABSI**) surveillance in Victorian public and private hospitals.

**This masterclass will be of interest to all involved in governance and applying quality improvement strategies to reduce patient harm from CLABSIs.**

*Hospital Executives, Directors of Clinical Services, Safety and Quality Managers, Infection Control Practitioners, Intensive Care and Infectious Diseases Clinicians are welcome to attend.*

The morning session will provide an overview of CLABSI surveillance and quality improvement strategies. The afternoon session will focus on CLABSI surveillance 'in practice', including case reviews.

**Date:** Tuesday 27<sup>th</sup> August 2019

**Time:** 9:30am – 3:30pm (Registration from 09:00am)

**Location:** The Peter Doherty Institute for Infection and Immunity  
792 Elizabeth Street, Melbourne 3000
